## **UPS AND DOWNS**

**CALGARY DOWN SYNDROME ASSOCIATION**

### **ABOUT UPS AND DOWNS**

Ups and Downs was founded in 1984, and is a registered, non-profit, volunteer run organization supporting parents, families and friends of people with Down syndrome. Our ultimate goal is to realize the complete acceptance and inclusion of individuals with Down syndrome in all aspects of family and community life.

### **WHERE THE MONEY GOES**

The money raised at this year's tournament does more than just increase public awareness! Ups & Downs uses the money to fund a variety of projects and activities that include: educational videos, reference materials, conferences, monthly meetings, member events, new parent packages and monthly newsletters for parents, educators, friends and families of all those touched by Down syndrome.

It's because of people like you, who make the effort to participate in our golf tournament, that we are able to reach our fundraising goals. Thank-you for your support!

Ups and Downs—Calgary Down Syndrome Association estimates that it will raise a total of \$16,500 from our 2011 golf tournament, after expenses of \$15,000. Furthermore, Ups and Downs estimates it will raise at least \$80,000 in gross proceeds from all fundraising activities for the year, with an estimated \$28,500 in associated costs. Ups and Downs is incorporated in the province of Alberta. For further information about our fundraising activities please contact our Executive Director, Amber Boyd at 403-289-4394.
